Mr. Fenton – I work for Bob Sussman here at EPA in Washington DC. I have been informed that I needed to send a conference line to you for a call today to start sometime between 12:00 pm and 12:15 pm MST. I have listed the conference line and code below, and will open up the line at 12:10 MST. Howard Cantor from our Region 8 Head Quarters group will also join you on the call. If this time does not work for you just let us know and we can see if there is another option. Feel free to call or email me with any questions or concerns.
